Air Industries Group (the "Company" or "Air Industries") Announces Preliminary (Unreviewed) Revenue Results for the Quarter ended June 30, 2017:

Hauppauge, NY -- (Globe Newswire – July 5, 2017 – Air Industries Group (NYSE MKT: AIRI)).

Air Industries Group (“Air Industries” or the “Company”), an integrated manufacturer of precision equipment assemblies and components for leading aerospace and defense prime contractors, announced preliminary revenue of approximately \$ 17 million for the second quarter ended June 30, 2017. Revenue for the second quarter was in line with Air Industries’ published revenue guidance for the quarter. Revenue for the second quarter was approximately 13% higher than for the first quarter of 2017.

Mr. Peter Rettaliata, CEO of Air Industries commented: *“Our sales results for the second quarter are very encouraging. Sales over \$ 7 million for the month of June were particularly encouraging. The Bridge Loan investment in May provided much needed liquidity enabling the acceleration of sales. I would like to thank all our employees for their hard work and our suppliers and customers for their continuing support.”*

The Company has filed a registration statement (including a preliminary prospectus) with the U.S. Securities and Exchange Commission (“SEC”) for the offering of common stock to which this presentation relates. Before you invest, you should read the prospectus in that registration statement and other documents the Company has filed with the SEC for more complete information about the Company and this offering.
