#### **Changes to Information in the Preliminary Prospectus dated June 29, 2017**

The following changes are made to the information set forth in the Company’s Preliminary Prospectus dated June 29, 2017 and will be reflected in the final prospectus for the offering.

#### Shares Available for Future Sales (pages 59-60)

The following sentence is added as the penultimate sentence at the end of the section prior to the caption “Rule 144”:

“We have agreed to file a registration statement on or after July 24, 2017, for the resale of the shares of common stock issuable upon conversion of May 2018 Notes in the aggregate principal amount of \$1,940,907 by holders who agreed to convert their May 2018 Notes into common stock (“Conversion Shares”) and to cause the registration statement to become effective within 30 days after the consummation of the offering contemplated hereby (the “Closing Date”), provided that the holders of \$940,907 principal amount of the May 2018 Notes will only have their shares included in such registration statement if they agree to “lock-up” their shares for a period ending 90 days after the Closing Date. If the registration statement is not declared effective on or before the 30th day after the Closing Date there shall be issued to each holder of Conversion Stock whose shares are included within the registration statement, a number of shares of Common Stock equal to 8% of the number of shares of Conversion Stock held by such Holder, together with an additional 1% of the number of Conversion Shares for each additional 30 days prior to the effective date of the registration statement, provided that no holder of Conversion Shares shall receive in the aggregate more than 10% of such Holder’s Conversion Shares.
